

Information of Ground Transportation

From the airport to the hotels

We recommend you to take taxi when going to your hotels. It is the most efficient way to get into the Taipei city.

Taxis operating by shifts are located at the west side of the Terminal 1's and Terminal 2's Arrivals Lobby at the Taiwan Taoyuan International Airport. Safety for all travelers is protected by the comprehensive management protocol: The drivers and vehicles of all taxis must have passed a strict evaluation process administered by the Aviation Police Office before being allowed to provide service to airport travelers.

Taxi fare is based on the meter, highway tolls not included. A one-way ride from the airport to anywhere in Taipei should not exceed TWD 1,500 (app. USD 50).
